Raymond Youth Hoop Camp Assistant

Scouting Report: (“Written by Coach Chris Coates, Director of Spartans AAU basketball, former All-American College player and Former Professional Overseas basketball Player”)

“Joe is a very talented combo guard player. He can play both the PG and SG positions. He is at his best in the open floor in transition. Joe is very fast with the ball and penetrates to the hoop aggressively. Joe has good rise with his vertical which allows him to finish well around the basket when driving to the hoop. Joe led the team with” and one” finishes this AAU season. Joe shoots the ball extremely well from the 3 point line. He had multiple games this year with 5-6 three pointers made in each game. Joe is a solid one on one defender and led the team in steals this year. Joe is a team leader and is very coachable. He is a quiet kid but leads by example. Joe had an excellent Junior AAU season and summer ball season. Joe should have a big senior year. At this point Joe is a borderline Division 2 player / highly recruited Division 3 player. If I was a Division 2 coach and needed an athletic/fast combo guard I would take a chance on Joe as he gets better every year.”
