Navy/Marine ROTC Programs

The U.S. Navy and Marine Corps are a team that provides for our national defense. The men and women who serve are called on to provide support at sea, in the air and on land. The Navy-Marine Corps team is led by officers trained and motivated to perform professionally, in any situation, in any environment.

The Naval Reserve Officers Training Corps (NROTC) Program was established to educate and train qualified young men and women for service as commissioned officers in the Naval Reserve or Marine Corps Reserve. As the largest single source of Navy and Marine Corps officers, the NROTC Scholarship Program fills a vital need in preparing mature young men and women for leadership and management positions in an increasingly technical Navy and Marine Corps.

Selected applicants for the NROTC Scholarship Program are awarded scholarships through a highly competitive national selection process, and receive full tuition and other financial benefits at many of the country's leading colleges and universities.

Below is a list of those institutions offering NROTC Programs.
