

Reach High Scholars Program

All RHS & IHGMS Parents, Students & Friends
are invited to a meeting at
RHS Room 202
6:00-8:00 pm, Thursday, April 18, 2013

The meeting will discuss the significant successes of the Reach High Scholars Program in its first five years, including:

- ◆ 14 RHS alumni now attending highly competitive colleges;
- ◆ several more accepted for next fall;
- ◆ many of them with over \$40,000 per annum of need-based grants; and
- ◆ 52 middle and high school students in summer enrichment programs of Brown, Dartmouth, Phillips Exeter and St. Paul's School last summer; with a larger number expected for this year.

We will explain what students and parents can do to achieve similar results.

You will be prepared better for the meeting.
